EXPERIENCE

Expertizo, Shahrah-e-Faisal— *Bootcamp*

May 2022 - Past

I spent a month working on different projects while helping Expertizo construct a quiz app.

Self-Employment

Feb 2021 - Present

I've been working on **Mern Stack** technologies on my own for a year, and I'm currently conducting work and developing certain applications.

EDUCATION

St. Paul's English High School, Saddar — *Matriculation*

Jan 2006 - Dec 2018

I have finished my Matriculation.

S.M Commerce College, Burns-Road— *Intermediate*

April 2019 - April 2020

I earned a **B** Grade in commerce at the end of intermediate college.
